Alabama's Amari Cooper and Arizona's Scooby Wright III Named Walter Camp
National FBS Players of the Week, *presented by Generation UCAN*

New Haven, CT – The Walter Camp Football Foundation has announced the Football Bowl Subdivision National Offensive and Defensive Players of the Week, presented by Generation UCAN, for games ending November 29.

About the Award: This is the 11th year that the Walter Camp Football Foundation will honor one offensive and one defensive player as its national Football Bowl Subdivision player of the week during the regular season. Recipients are selected by a panel of national media members and administered by the Foundation.

OFFENSIVE PLAYER OF THE WEEK

AMARI COOPER, ALABAMA

Junior, Wide Receiver, Miami, FL/Northwestern

Amari Cooper had 13 receptions for a school-record 224 yards and scored three touchdowns as top-ranked Alabama defeated 15th-ranked Auburn, 55-44, in the Iron Bowl. Cooper caught scoring passes of 75, 39 and 17 yards as the Crimson Tide (11-1, 7-1 SEC West) clinched a spot in next weekend's SEC title game.

Notes: Amari Cooper is the ninth Alabama player to earn Walter Camp Player of the Week honors since 2004, and the second this season – quarterback Blake Sims was honored on September 21.

DEFENSIVE PLAYER OF THE WEEK

SCOOBY WRIGHT III, ARIZONA

Sophomore, Linebacker, Windsor, CA/Cardinal Newman

Scooby Wright III recorded 13 tackles (9 solo), including five for losses and two quarterback sacks as 12th-ranked Arizona defeated #13 Arizona State, 42-35, in the Territorial Cup. Wright also forced a fumble as the Wildcats (10-2, 7-2) clinched the Pac-12 South title.

Notes: Scooby Wright III is the Walter Camp Defensive Player of the Week for the second time this season (Oct. 26). He is also the fourth Arizona player to be honored since 2004.

Generation UCAN (@GenUCAN) is healthy sports nutrition powered by a unique, slow-burning carbohydrate called SuperStarch. UCAN's drink mix provides steady energy, allows you to burn more fat for fuel during workouts, and helps you recover efficiently compared to sugary sports drinks or a high carbohydrate meal. UCAN contains no added sugars, no caffeine, and is gluten-free. SuperStarch was originally designed to help children who suffer from serious energy imbalances and now fuels some of the top athletes in the world - ranging from professional football players, to Olympic runners, to everyday athletes striving for fitness. The UCAN Company is based Woodbridge, CT. Visit www.generationucan.com for more information.

Walter Camp, "The Father of American football," first selected an All-America team in 1889. Camp – a former Yale University athlete and football coach – is also credited with developing play from scrimmage, set plays, the numerical assessment of goals and tries and the restriction of play to eleven men per side. The Walter Camp Football Foundation (www.waltercamp.org, @WalterCampFF) – a New Haven-based all-volunteer group – was founded in 1967 to perpetuate the ideals of Camp and to continue the tradition of selecting annually an All-America team. The Foundation is a member of the National College Football Awards Association (NCFAA). The NCFAA was founded in 1997 as a coalition of the major collegiate football awards to protect, preserve and enhance the integrity, influence and prestige of the game's predominant awards. The NCFAA encourages professionalism and the highest standards for the administration of its member awards and the selection of their candidates and recipients. For more information, visit the association's website, www.ncfaa.org
